

Compact

The Compact is the perfect entry level coffee bar for businesses looking to increase their revenue. With its small footprint, high impact design and user-friendly touch screen the Compact will turn the smallest area into a profit generator. Using Costa's world famous Mocha Italia blend, fresh milk, premium hot chocolate powder and flavoured syrups, the Compact offers the core range of Costa Express drinks.

The Compact is easy to install in a wide variety of locations including retail outlets, petrol forecourts, motorway service areas, leisure facilities and convenience stores.
